#### **Biography**

Look at my cute ears!! Yes, I'm a full-fledged doxies with not-so-doxies ears LOL

But I'm cute as a bug in a rug. My owner could no longer take care of me, so I was taken to the shelter. The DRNA people came and got me, and now I'm looking for my second forever home.

I sort of run the house at my foster home – haha – I am in charge of two standard doxies there and enjoy hanging with them (and the cat, mind you!). But I would do well as an only dog too! I love to snuggle on the couch and run in the big fenced yard. I also do well in the crate. My foster mom says I'm a bit possessive of my food, and that I want to eat mine and everyone else's. Hmmmm..... but that's no big thing, is it? I am located in Richmond, Virginia and I'm ready meet you.
