Biography

Conner is one of 5 puppies who were on their way to the pound, when their foster mom intervened. The poor babies were being sent away at only 5 weeks old, because the owner of the Momma, did not want the pups in the house any more. At only 5 weeks!!!!

Needless to say, the babes were quite upset being taken away from Momma so soon. But they have adjusted well and adopted some surrogate Mommas in their foster home.

The pups were born on 1/15/10. They will be available for adoption after the 04/03/10.

Their Daddy was a full Dachshund and momma Beagle. The puppies will be fully vetted, including vaccines and spayed/neutered before placement.

They are adorable, playful, active and fairly social. Being raised in a home with other dogs, and a 5 yr old child.

Conner and his sisters are located in Southwestern PA. Conner is also the only male in the group. Adoption fee for a puppy is \$350.00 Please file an application at www.drna.org
